PROJECT STATUS

In Progress

WINCO

VISALIA, CA

TPG Consulting, Inc. designed various improvements associated with the development of the WINCO Shopping Center in Visalia, CA. They provide the design, drafting, specifications and associated cost estimates (PS&E) related to this new commercial development located on Caldwell Avenue between Demaree Street and Chinowth Street. TPG prepared a complete set of street improvement plans for Caldwell, Demaree and Chinowth. Plans included the installation of a new signal at the intersection of Caldwell Avenue and Chinowth Street. Roadway design plans included pavement widening, new curb, gutter, sidewalk and median designs. The plans also included all new signing, striping and pavement markings for these segments of Caldwell, Demaree and Chinowth. In addition, TPG also provided construction engineering support services.
